# From the Headmaster's Desk....

The 2011-2012 school year will be remembered as one of the most exciting in recent memory. A Saltus 'sweep' of Academic Achievement Awards at the Outstanding Teen Awards Ceremony; celebrating 20 years of co-education; enjoying the "Around the World" Saltus Association soiree; introducing iPads at Cavendish; receiving a gold award as a top 'Healthy School'; winning the Sir Edwin Leather Trophy at the Agricultural Exhibition; promoting athletics on the piazza at the first Athletic Banquet; viewing student accomplishments on the new website; participating in Year 9's first "moving up" graduation assembly; travelling to Vancouver for the debating trip; witnessing the academic and co-curricular successes of our 2012 Graduates; watching amazing drama, including Romeo & Juliet, Pan, and High School Musical; listening to fabulous music by our many bands and choirs inside and outside the school; and dancing alongside Saltus' new mascot, "Sammy the Knight".

This year will also be remembered for the school theme of "A Connected Community". Saltus staff and students were very visible and active assisting many not-for-profit organizations on the island. Steve Briggs and Dan Dorrington led a hard working group of Secondary students in a landscaping project at Summerhaven. Nichola Cunha's Upper Primary Service Club helped many groups and individuals in need. Third prize in the Capital G Youth Give project raised much-needed funds for PALS. Anna Ridgeway's restoration work initiative in Middle Division resulted in a School Programme Award from the National Trust Foundation. Productive fund-raising projects were launched for cancer research, St. John's Food Bank, the Salvation Army, the Reading Clinic, St. Baldrick's and the Bermuda Diabetes Association to name a few.

It was also the year when Lower Primary teacher Kathy Kawaley wrote music for the school's mission statement. What a thrill to hear our youngest students singing it during their assemblies.

Saltus students seemed to be in the news each and every week. KPMG awards were presented to Head Boy Nicholas Barton, Deputy Head Boy Danny Pell and Jonas Frumkin; Young Citizen Awards went to Michael Johnston, Ajai Peets and Gabriel Jones and the top Math Olympiad prize was captured by Mahir Wagh. Danny Pell and Shannon Denham were selected to represent Bermuda at the World School Debating Championships, held in South Africa. They were coached and chaperoned by Saltus' Secondary English Department Head, Christianna Hiles.

What a year for Head Girl, Rachael Waldron, Eva Frazzoni and Ashley Irby as they distinguished themselves as top school athletes at the Denton Hurdle Award presentations. Latonia Fray, next year's Head Girl and Katie Witkowski, next year's Deputy Head Girl, won accolades in newspapers for their sporting and singing performances, respectively.

All in all, an amazing year for Saltus students.

On the faculty front, Malcolm Durrant announced his retirement after 35 years of distinguished service to Saltus Grammar School. Arriving at the school in 1977 as a history teacher, Malcolm quickly demonstrated his administrative leadership skills. He was promoted to the important position of Head of Senior Year which he occupied for 17 years. His care and concern for those students resulted in over 600 Saltus graduates being admitted to top tier universities around the world. In 1996, he was appointed Deputy Headmaster in charge of Admissions. The wisdom of this appointment cannot be overstated. His calm and supportive manner with legions of new families was just the reassurance that nervous students needed as they joined Saltus for the first time. The school is and will be forever grateful for his dedication and commitment.

On behalf of the Saltus Grammar School family, best wishes to Malcolm Durrant for a long and happy retirement.

This extensive digest of school events and activities would not be possible without Fiona Murdoch's dedication. Assisting her, as always, was Peter LePage and Cynthia Barnes. We all owe them a debt of gratitude for the time and effort they put into this excellent publication.

# Welcome to Cavendish Lower Primary!

Shelly Sayers

Director of Lower Primary

Stephanie Queary

Secretary Lower Primary

## From the Director of Lower Primary's Desk...

Success has been at the forefront of Lower Primary's school year! This year's Connected Community theme has been the catalyst behind most of our activities as we have strived to ensure that Lower Primary maintains a connection with the main campus and with the whole Saltus family— students, parents, teachers, trustees, alums and the wider community.

Our year began with parent workshops offered by Mrs. Rebecca Van Homan to help our parents get a better understanding of the amazing development of reading. Our teachers took part in professional sharing with colleagues; Ms. Kawaley-Lathan shared exciting information about Success Criteria, gained from her visit to the United Kingdom; Miss. Nicole Panchaud shared her information about the new phonics programme 'Letters and Sounds' which will be implemented in September, 2012 at Lower Primary; Ms. Rebecca Van Homan introduced the staff to 'Writer's Workshop'.

Our Lower Primary students participated in fundraising events such as PJ's and Slippers Day for The Reading Clinic, Open Airways, Denim for Diabetes and Food Hampers for St. John's Church, to name a few. The annual 'Christmas Craft' morning was enjoyed by all as we celebrated the successful end of our first term.

During Term 2 all staff members were involved in valuable Professional Development which was led by Mr. Andy Phillips of the UK. Teachers were provided with valuable tools and current information regarding Key Stage One and how it continues to evolve, thus stressing the importance of remaining current with trends and developments.

Near the end of this term we had an extremely successful Open House and Open Day – students' work was showcased and all staff members were once again diligent in their attention to this event. We received accolades from many of our guests and parents as they were treated to the wonderful world of Lower Primary while also getting a valuable glimpse of the other departments.

In Term 3, iPads were introduced in the Lower Primary Department. They have been a huge success with the teachers and students. Mrs. Trudy Bucher, Director of IT and Mrs. Shelly Sayers, Director of the Lower Primary Department spent fifteen months researching, planning and establishing the pilot programme for Saltus. Saltus is the first local school to bring iPads into the classroom for this unique 21st century learning experience. As a technology-rich school, laptops, computer labs, SMARTBoards, netbooks and wireless access are the norm. Adding iPads to this equation keeps us on the cutting edge and provides technology for our youngest students. The iPad is a tool that greatly enhances educational technology. The combination of rich graphics, an intuitive touch screen, and lightning-fast processing speed is bringing educational technology to new levels of student engagement.

Throughout the year, all teachers were responsible for running a 'club' and as always the variety was commendable and all clubs were subscribed to with eager students participating.

There is no denying the value of balancing learning with fun and we aim to do that at Lower Primary. From Zumba classes for teachers to Sports Day for all students we have stressed the value of good citizenship and ...

To inspire a passion for learning and independent thinking through a commitment to academic excellence, personal integrity and service to others.

## PREFECTS

## AND HOUSE CAPTAINS

Good morning Mr. Staunton, Mrs. Renaud, Parents, Families, Teachers and fellow students.

Last year at this time I was just like you, sitting listening to the students make their speeches, wondering about the year ahead, would I laugh during the speeches, who would become Head Girl and Head Boy, much like all of you may be wondering right now. I realize now, as the Year Six students prepare to move up to the Secondary Department, what an amazing time we have had together. There are quite a few things that we have enjoyed throughout the first half of this year. But before we get on to that, I am going to tell you a few of the different things I have loved at the Lower and the Upper Primary.

Head Boy - Gabriel Jones  
Deputy Head Boy - David Gibbons  
Head Girl - Olivia Washington  
Deputy Head Girl - Katherine Brennan

## PRIZE DAY SPEECHES

When I first set my eyes towards the Lower Primary, on the first day of Year One, I was in awe of it. Everyone found their classrooms, and was already making friends. And our teachers, whether it was 1L, 1P, 1D or 1N, were like our moms! school moms! One of my best memories of Year One was Larry the Leprechaun. In the days leading up to St. Patrick's Day, Larry would appear in all different places, and he would move spots during the night. One morning he was even on the ceiling fan! Do you remember the Teddy Bear Picnic? It rained so hard that day we had the picnic in the Hall. Speaking of bears, Q-Bear was a big part of Year One. He sure had a lot of adventures with all of us!

In Year Two I remember the excitement I felt about joining choir and bell choir and when after Christmas we got to start learning cursive! We also got to dress up like we were 100 years old. Mrs. Beard's Granny was even there! She fell asleep halfway through Assembly though!

It seems like such a long time ago that we were in Year Three. The first day was a little scary but at least it helped that the Year Sixes had given us a tour. How we all loved dressing up as pirates on Pirate Day!

When we were in Year Four I remember that if you were in Mrs. Lusher's math set, every Thursday would be the day for the Guess Jar, where someone in the class could bring something, such as a bunch of golf balls, for the jar. We would then try and find the mode, range, mean and median.

When I was in Mrs. Edward's class in Year Five, I had one of my best years. One of the days that made the year so incredible was the day our class went on a cruise ship. The Norwegian Gem was in Dockyard and it even had five bowling alleys! We had lunch and ice

cream on the ship and went and had more ice cream at the Yacht Club! Now on to Year Six!

In the month of September we were busy seeing our friends again, meeting new and old teachers and making new friends too. On the first day of school I was a little nervous about being the Head Girl but Mrs. Renaud put Gabriel, Katherine, David and I right to work, greeting the new Year Three students. We were also busy this month with soccer tryouts and the new Valencia football program.

In October we started our class assemblies. Remember how some of the Year Six assemblies had a theme of quizzes? Our parents were busy too, meeting with our teachers and hearing about how great we were doing at school. Before we knew it, the time was here for our half-term holiday!

November had us returning in our winter uniform; remember those grey skorts and shorts? Some of us had to relearn how to tie those ties! We had our class photos early this year, which meant we could have them ready for Christmas gifts and I know one particular grandmother who was very happy about this! November was also a busy month for the PTA with their annual BINGO night, which was a huge success and we also raised money for the school.

If we thought we were busy in November, December sure gave us a lot to do! We spent time getting ready for Carols for All, where the wind band played and the S5/S6 choir sang. We also learned our parts for the amazing production of 'Pan'. Didn't you just love Croc? Tink's costume was so Goth! Smee was hilarious! The PTA had another great movie night at the Lower Primary and parents were busy trying to keep track of all the many family events at Saltus. We were ready for that break on December 16th!

2012 brought the start of a great year. Lots of us were in afterschool clubs, representing Saltus at different sport events like interschool Tag Rugby and we had a great time at Inter-house Soccer.

In the second half of this school year, our Department celebrated many special moments and great achievements. I decided to break them down and put together a Top-10 Countdown of Upper Primary highlights. Here they are:

Starting at Number 10 — Our very own COPs! Yes, we have COPs on duty at Upper Primary. That stands for "Children on Patrol." These are kids who, for the first time this year, were trained like international diplomats to solve problems between other students during Recess and Lunchtime. And it really worked! We've noticed a lot fewer arguments — and more peaceful playgrounds — over the past year. Maybe our COPs could teach Bermuda's government ministers a thing or two...?

Next up: Number 9 — The massive dance performance by students for the Party Rock Anthem at Sports Day! It was the perfect finale. Everyone had a good time — and put on a fantastic performance for our parent spectators and volunteers. Oh ... and Saltus House won on total Sports Day points. Way to go Saltus!

Number 8 — The results of our second Trash Audit. We were proud to gather just 9 ¼ bags of garbage in a single week — that's 6 ¾ fewer bags of trash than we collected last year. It means Upper Primary is really learning "The Three 'R's" — Reduce, Re-use, Recycle. Two small changes had made a BIG difference: first, there were fewer plastic Ziploc bags; that's because ever since we started eating recess in the classrooms, we've used more Tupperware ... as parents weren't afraid of losing containers on the Field anymore! Secondly, we got a compost bin to collect food waste — it's now being used to make fresh soil for our gardens. Thanks to Mrs. Shaw and Jackson's Mum for showing us how to live greener!

And Number 7 on the Countdown List — The Ruth Henderson Memorial Concert in the Park! Students from Upper Primary performed in the Wind Band, the Upper Primary Orchestra and our very own Choir. They sounded wonderful, thanks to Mrs. Fox's coaching! People all over Hamilton came to watch as we showed off our musical talents. The hot dogs, face painting and bouncy castle were pretty cool too!

Number 6 — The Ag Show! The Upper and Lower Primary Departments won a prestigious award for the annual Exhibition (which everyone, of course, still calls the "Ag Show"). Our students won the "Sir Edwin Leather Trophy" for the most points awarded to any school. We took the Ag Show by storm! The prize covered all kinds of entries by Saltus students — from model gardens to gigantic vegetables, crazy cakes to recyclable critters. The prize was \$800! Both Departments split the money, which will be spent on green projects.

Number 5 — The fancy hat parade — and cucumber sandwiches — at our Queen's Diamond Jubilee Party! We saw glittery tiaras and crowns,

dignified top hats, woven palmetto headpieces, alien-looking bubble-wrap creations...! The Queen would have been very proud. Our hat parade even made it onto the front page of The Royal Gazette.

Number 4 — The 6s' Washington Trip. I'd heard about this Easter holiday tradition — but, trust me, it really is as much fun as it sounds! We visited a ton of museums, said hello to the White House and Abe Lincoln, saw panda bears at the Zoo, plus a real cannon being fired in Yorktown. We pretended to be early settlers at Williamsburg; then we played Lazertag and went shopping at Walmart — what a time warp! Most of all, we got a head start on going to university because we learned what it's like to live in a room with three other people, share a single bathroom, and take care of all your own laundry for five whole days! Mrs. Doughty organised this and the Jubilee Party, and everything went perfectly — at least everything organised by Mrs. Doughty. We did have to wait an hour outside Bermuda's airport before flying out — but that was thanks to a very inconvenient fire alarm!

And now, Number 3 — Sammy the Knight, Saltus's newly named Mascot! Sammy has come to almost every sport, concert and special event we have had! He attended the Ruth Henderson Concert, our Sports Days, and even some Assemblies. Everyone needs a mascot — and now we have one! And he's incredibly energetic; I don't know what Sammy eats for breakfast but it must have something in it!

Number 2 — Good deeds for charity! We gave time and money — and enjoyed lots of Grub Days — for a long list of needy charities in our community this year. They included the Bermuda Diabetes Association, KBB, the SPCA, Hands of Love Ministry, PALS, the Bermuda Cancer & Health Centre and the St. John's Food Bank. We created an incredible "Line of Coins" on the Field that added up to more than \$2,000 as a gift to St. John's Ambulance. And 27 Upper Primary students — along with Mrs. Burgess and Mrs. Adams — had their heads shaved. Their crew cuts helped raise an impressive \$96,000 by Saltus for the St. Baldrick's Foundation to fight childhood cancer. Wow!

And finally, the Number 1 highlight on our Upper Primary Top-10 List — all our amazingly talented Student Stars!! Our students have excelled in everything from fractions to freestyle! Students like Joe Waters and Billy Ewles who placed 3rd and 5th in the Bermuda Math Olympiad's Year Six division. Students like Ashley Irby, who outclassed all her peers in the Front Street Mile; also, she and Ethan Daley have been identified as "Ones to Watch" in the swimming pool in the years to come. Students like Year 5's Charlie Riker who placed a speedy sixth overall in the Saltus-to-Saltus Run. Students like Myles Packwood and Max and Cameron De Ste Croix who wowed audiences with their dance moves at City Hall recitals — and our own 6s' Talent Show. And students like the S3 & 4 Choir and Recorder Club who have entertained us all year round. We have sailors, ballerinas, tennis and soccer champs, musicians, artists and budding writers. So many Upper Primary students are representing Saltus and excelling every single day out there in the community. Well done to them all!

One last thing: I didn't put it on the Top-10 List because she would have seen it... But one other person should be on this list. Mrs. Renaud has done an outstanding job this year — her first as Head Teacher of Upper Primary. It has been a real pleasure to help you, Mrs. Renaud! Three cheers for Mrs. Renaud: Hip, hip, hooray! Thank you to all the teachers and parents who've helped us have a truly tremendous year in Upper Primary!

## The Green Team UP

It has been another busy year for the Upper Primary Eco club. Years five and six have been involved during the past two terms making trash reduction their main focus, culminating in the 2nd Annual Trash Audit held at the end of April. Adults and students collected, sorted and counted the trash collected over four days. The results were then presented in a special assembly. The results were very pleasing – we had reduced our trash from 16 bags to just over 9 bags! There's still too much paper towel and hot lunch food wastage. Students are being asked to come up with suggestions on how to reduce both over the next year. Do you have an idea?

Students were reminded about Earth Hour (March 31st) and we were treated to a screening of the videos created by students for the Greenrock/National Trust Video Competition in celebration of Earth Day (April 22nd).

Saltus Primary took a much greater part in the Annual Exhibition this year with almost every primary student entering at least one category. Saltus won back the Sir Edwin Leather Trophy for the Overall Winner in the Schools Competition! Several students from Years 3 and 4 have formed themselves into the "Trashinators". They have been picking up trash from the field at recess and lunch. Look out for them in September!

# WASHINGTON 2012

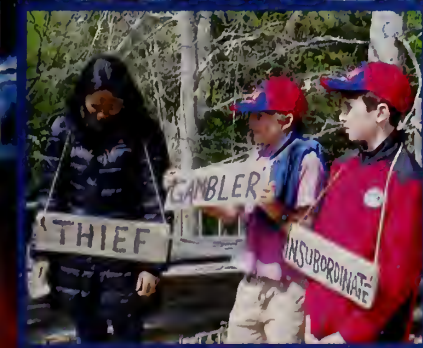

At the end of March, just before the Easter break, 40 students and 5 teachers set off on our now annual trip to Washington DC and Virginia with students from year 6. Despite spending over an hour outside the airport (due to a fire alarm) we had a great journey out via Miami and arrived early enough to fit several monuments into our very first day in the US capital. During the next two days we visited the memorials and monuments - including the brand new memorial to Martin Luther King Jr. - as well as many of the Smithsonian museums and the National Zoo. We then headed south to Virginia to make the connection between its history and that of Bermuda. Highlights were the encampment and farm at Yorktown, the Governor's Palace and maze in Williamsburg and the fort, native village and ships in Jamestown. I think Jamestown is always a favourite because history lessons from year 5 make it clear that Bermuda and Jamestown are joined by their early settlers and ambitions.

This year we were able to fit in two new activities - a wonderful evening of laser-tag in Williamsburg and a visit to the Newseum in DC, both of which were extremely enjoyable.

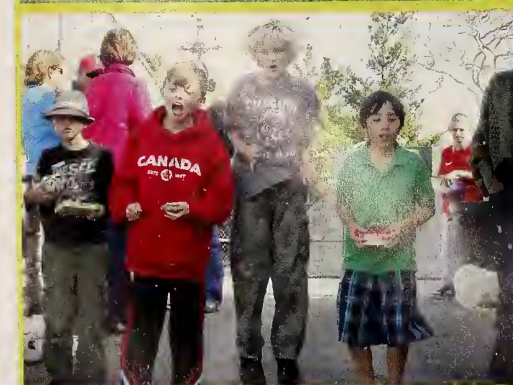

One of the main features of our trip this year was the lovely mild weather we enjoyed, as the US was having an early spring - so early in fact that the cherry blossom in Washington DC was already over! It's always a little hard for our Bermudian students to dress appropriately for the cold weather, but they didn't have to worry too much about it this year!

The group was lead by Mrs. Rosie Doughty, and the other chaperones were Mrs. Jan Shaw, Mr. Martin Allen, Mrs. Sue Chlebek and Mrs. Kim Thompson. All of them had done the trip before - some of them many times, though none to beat Mr. Allen who started the visits many years ago. Their willingness to come again is a testament to them, but also to our wonderful students who have such a good time and always make us proud.

R Doughty

## MUSIC REPORT 2011-2012

It has been a busy year for the music department. The various ensembles have performed throughout the year. The Wind Band performed for a Cavendish Assembly in October. The holiday season was busy as usual. The 3&4 Choir were invited to perform on the steps of City Hall for the annual Tree Lighting Ceremony at City Hall on Friday November 25th, 2011. The Wind Band and The Year 5&6 Choir participated in Carols for All on December 1st. The Year 5&6 Choir performed at the Christ Church Fair on December 3rd. This event was enjoyed by all. The year 3's and 4's did the production "City Hall Santa." The year 3's and 4's choir performed at Gorham's on December 10th. After all of this activity the year 5's and 6's presented "Peter Pan" on December 14th and 15th.

The Wind Band performed for the Open Airways Event at City Hall on May 1st. They also performed in the Upper Primary Assembly on April 30th and May 21st. The Three Department Concert was once again a success. The Wind Band, Upper Primary Choirs and the Orchestra represented the Upper Primary Department and all performed very well. The year 5&6 Choir performed for the Rubber Duck Derby on June 3rd. They were almost blown away but the wind in St. George's but they had a great time. The year 6 Choir Members were supposed to perform with year the year 7 choir for Founder's Day but unfortunately the two departments were separated due to huge amounts of rain. The year 5&6 Recorders played for the Prep. 2 visit to the Upper Primary Department on June 15th. The year 6's participated in a Talent Show this year on June 11th and delighted their peers with magic acts, singing, basketball skills, gymnastics, dance, epic fails and skits. They certainly did a great job entertaining the Upper Primary. They repeated the performance for their parents on June 21st and again should be congratulated on their entertaining performances. Upper Primary students sang "Your Mother and Mine" for the parent volunteers during the last week of school. The Junior Orchestra was kept busy until the last week as they did a great job playing for prize day. The year 6's performed the song "Sing" by My Chemical Romance." The whole school did a great job singing David Cook song, "Time of My Life." Many of our students have taken music exams this year and obtained great marks. It has also been a pleasure to have many of our students performing in assembly. As usual it has been a busy year for the music department but definitely well worth the effort. With the continued support of the staff, parents and students a love for music will continue to flourish at the Upper Primary Department.

Swimming	2nd (tie)	1st	2nd (tie)	4th
Final House Positions:	2nd (tie)	4th	1st	2nd (tie)

## Interschool Events:

### Swimming

Team places: "A" division 2nd overall. "B" division 3rd overall.

Top individual performances: "A" division - Jayson Hassell, Isabelle Dutranoit, Ashley Irby, Ethan Daley

"B" division - Ross Cooper, Megan Titterton, Sydney Rego, Zoe Marshall, Ryan Topple, C.W. Pitt

### Soccer

Girls 6 aside tournament - semi finalist

Boys 6 aside tournament - "B" team placed 2nd

Girls 9 aside - 2 wins, 1 loss. All Star participants were Isabelle Dutranoit, Haleigh Martin, Olivia Washington and Jordan Davies.

Boys 9 aside - 2 losses and a draw. All Star nominees were Cameron Coffey, Ethan Daley and Scott Redmond. Cameron Coffey was selected to the West All Star team.

### Front Street Mile

Saltus had 7 students qualify for the Front Street Mile.

Girls: Ashley Irby 1st, Jessie Marshall 9th

Boys: Max de ste Croix 6th, Cameron de ste Croix 11th, Charlie Riker 16th, Ross Cooper 17th, Dylan Carne 19th

### Tag Rugby

Two boys teams and one girls team attended the interschool tag rugby tournament. The girls team captured 1st place honours. The boys "B" team finished 2nd and the Boys "A" team finished 3rd.

### Cross Country

Girls Under 9 - Team 2nd. Top individual - Brianna Ray 13th

Boys Under 9 - Team 2nd. Top individual - Sam Lipschultz 10th

## SPORTS REPORT

Girls Over 9 - Team 2nd. Top individuals - Ashley Irby 1st, Isabelle Dutranoit 3rd

Boys Over 9 - Team 4th. Top individual - Max De ste Croix 6th

### Track and Field

Thirteen students qualified for the interschool championships. The following captured medals:

Ashley Irby - 1500m 1st, 800m 2nd

Noah Autmezguine - cricket ball 1st

Brianna Ray - cricket ball 2nd

Finlay Turnbull - cricket ball 2nd

Koa Goodchild - 100m 3rd

Jesse Marshall - 800m 3rd

Schyler Smith - High Jump 2nd

Mia Malpas - long jump 2nd

### Cricket

This year's team finished league play with 2 wins and a loss. Strong team play led to a successful season. Top performances were made by Cameron Coffey, Jacob Estis, Tyler Hurdle and Ryan Mullen.

### Softball

Saltus attended three interschool tournaments this year. The girls team finished 1st, the boys were 2nd and the coed team was 3rd.

### Sports Awards

Denton Hurdle Award: Nominees were Ashley Irby and Cameron Coffey.

Ashley Irby received an Honourable Mention.

### Saltus Upper Primary Sports Award:

Girl - shared Ashley Irby and Isabelle Dutranoit

Boy - Cameron Coffey

# Debate

A very successful year for the Saltus Debate and Public Speaking teams, as well as the Saltus' Youth Parliamentarians. Once again the teams were coached by Miss. Hiles who ensured the teams were at peak performance. Two Saltus students, Daniel Pell and Shannon Denham, competed for Bermuda this year at the World School's Debating Championships. Miss Hiles looks forward to see the young talent grow over the coming years.

# CANDIDS

# DOLLARS FOR HOURS

# KPMG CHALLENGE

At the prize giving for the KPMG Investment Challenge on May 14th, Saltus "Goldfingers" team -- Head Boy Nicholas Barton, Deputy Head Boy Daniel Pell and S10 Jonas Frumkin -- placed second out of fourteen teams from seven local high schools. They were presented with a cheque for \$6,000 for the School.

In the KPMG Investment Challenge, fourteen teams of students from seven high schools on the Island competed against each other from September to May to try to create the most profit from an imaginary \$50,000 initial investment. During that period, students were to invest in a minimum of 10 up to a maximum of 20 stocks traded on well known international bourses (at least one share was to be traded on the Bermuda Stock Exchange); and, each month, teams were allowed to make a maximum of ten trades but not keep too much of their money in cash, nor trade their entire portfolio.

This year Saltus entered two teams: the "Rogue Traders" (SGY2 Andrew Frith, SGY1s Peter Cooper and Dylan Scott, and S11 Daniel Heintzman) supervised by Secondary ICT teacher, Mr. Steve Young; and the "Goldfingers" team (SGY2s Nicholas Barton and Daniel Pell, plus S10 Jonas Frumkin) supervised by Physics teacher, Mr. Steve Briggs.

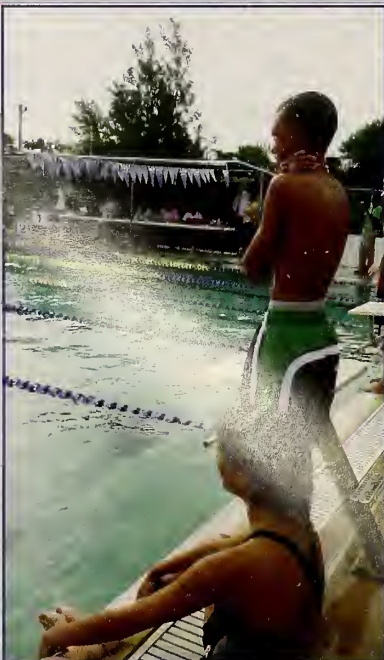

Saltus "Rogue Traders" diversified their portfolio into several predominant areas including technology, biomedical and car manufacturing. Their investment plan provided a steady increase in their profits. However, it was decided with four weeks to go that they needed a more aggressive approach to investing if they were to stand any chance of taking one of the top three places. So they sold half of their investments and decided to invest heavily in precious metals mining companies in the hope of catching a profit on the bounce, but, unfortunately, they caught it on the drop.

The "Goldfingers" team invested in several oil companies with Coastal Energy in Thailand and Gulf Keystone in Iraq being very successful; however, Bowleven (North Sea) and Soco (Vietnam) did not fare so well. At one stage, the portfolio was as low as \$44,000 and another time hit a high of \$65,000. They finished with \$56,099 -- a profit of \$6,099 -- narrowly missing out on first place by just \$600!

# Performing Arts Trip London, England

# ITALY TRIP

Many people will never have the opportunity to travel and experience places abroad. However, during February of this year, I, along with other Saltus students, acquired the chance to have one of these experiences. We traveled all the way to Rome, Italy; where, we learned

about Rome's rich history, beautiful art and architecture, and of course, the delicious food.

Upon arrival in Rome, we immediately set out for a tour of the city in a coach with our tour director, Angela. We gazed in amazement at the intricately designed buildings, and ancient ruins that were scattered throughout the city. It appeared that this part of the world hadn't been spoiled with flashy high-rises and obnoxious shopping centers (though everyone was looking forward to shopping of course). When we stepped out of the coach to take pictures, we were greeted with rain, freezing cold and snow caked streets. It had snowed in Rome for the first time in 26 years, an exciting view for those who had never seen snow. After an exhilarating introduction to Rome, we finished our tour and settled into our hotel.

The Grand Hotel Palatino.

There was so much to see and do in Italy that it's difficult to even begin to describe. Rome was like a huge museum,

packed with information, art and artifacts – not to mention stolen Egyptian obelisks. We saw everything from the Coliseum (the mammoth ancient arena of the gladiators), to the Spanish steps (where we kept an eye out for pick-pockets). We even walked through the sacred crypts of the Capuchin Monks! One of my favorite destinations was the famous Trevi Fountain, the largest Baroque fountain in Rome. With its cascading waters and a stately statue of Neptune, it was obvious to

see why the Trevi Fountain is so popular. We could even toss a coin into the fountain; this was to ensure that we'd be able to come back to Rome one day.

During our trip, we were also able to visit the Vatican City. We were led by a local guide, Giovanni, who brought us through some of the treasures the city had to offer. The Vatican museum alone seemed to have an endless supply of paintings, sculptures and other works of art. Although the Pope didn't come out to personally greet us (we weren't really holding our breath) we did get to go into the Sistine Chapel. The

walls and ceiling were painted with intricate and attention to detail. It made one wonder how Michelangelo had the patience to continue painting the ceiling for so long, and with so much skill.

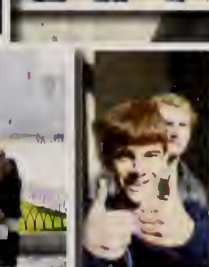

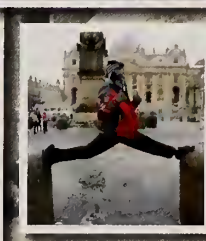

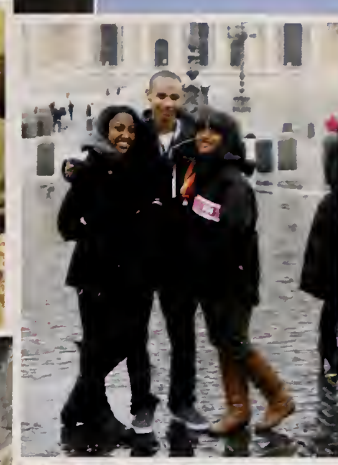

One experience that I can't forget is becoming a certified Roman gladiator

after a grueling day in gladiator school. We learned more about the gladiators of Ancient Rome and how they lived, examining the heavy metal armor and menacing weapons on display. After numerous drills, exercises and obstacle course runs, each of us had become brave, strong gladiators, certificates, wooden swords and all.

After long days of touring and exploring everything Rome had to offer us, the students on the trip had no problem relaxing with shopping and genuine Italian food. There were so many things to buy in the small stores, stalls and markets that lingered around every corner. Pizza, pasta, cannolis and of course gelato were enjoyed by everyone in the spirit of Italy.

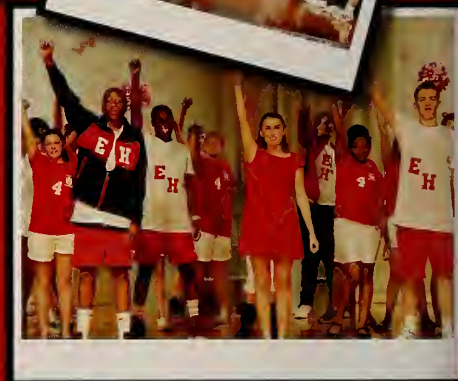

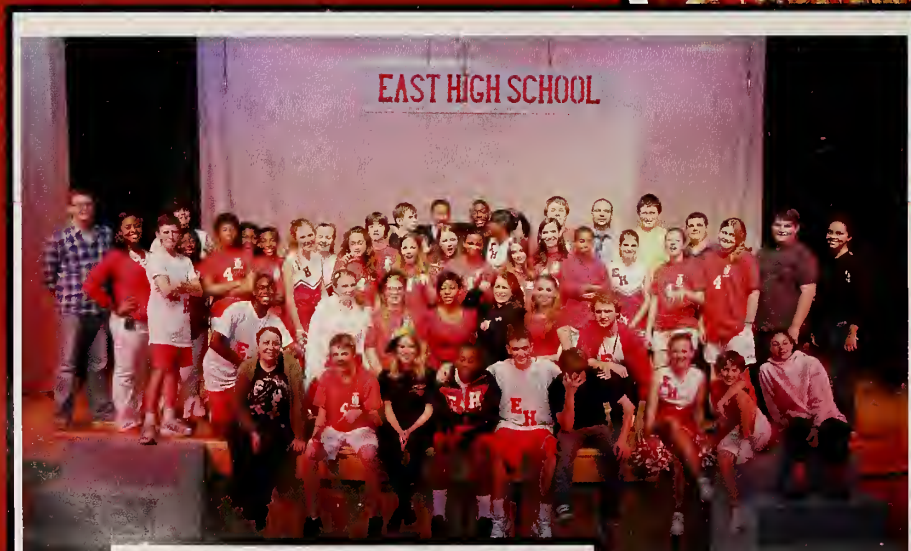

Unfortunately, we couldn't stay in Rome forever, and school was waiting. However, everyone was able to return home with an unforgettable experience in mind.

# St. Baldrick's Day

On Monday, March 19th, for the sixth year in a row (the 5th year as an officially registered site), Saltus students and staff had their heads shaved to raise funds for the St. Baldrick's Foundation and PALS. This year set a record with thirty-three participants! Saltus Secondary Department English teacher, Mrs. Stefanie Pedro, was the overall coordinator for this event at Saltus; and Upper Primary teacher, Mrs. Laurel Burgess, coordinated the event for that department. Mrs. Pedro estimates that, once all the money is counted, this year students, staff and their sponsors will have raised over \$93,000 for St. Baldrick's and PALS.

In the Saltus Haygarth Gymnasium, the following Secondary students had their heads shaved: SGY1 Jordan Rowse, S10 Dylan Lightbourne, S9 Matthew De Frias and S8 Andrew Daly. Representatives from PALS were on hand at both events to give PALS caps to the shaves.

Upper Primary and Secondary students also had a Green Grub Day that day with funds going to PALS for support of local children with cancer and towards PALS funding of several childhood cancer research projects at the Dana-Farber Cancer Institute in Boston, Massachusetts

# Line of Coins

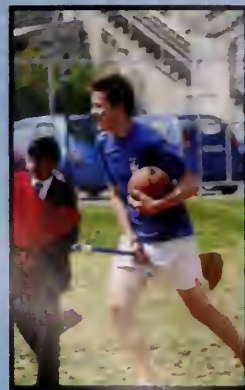

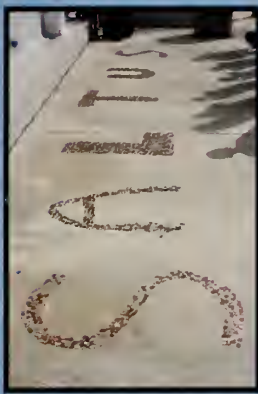

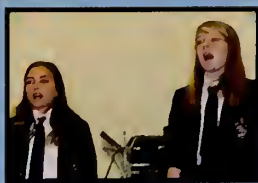

## Saltus Idol

## Quidich

Congratulations to Secondary staff and students for another successful RAG (Raise and Give) Week at the end of March. Thanks also to the Upper Primary students and staff who brought in coins for the Line of Coins on the field. A total of \$4,962 came from the Activity Fee and other donations (bake sale, etc.), while the Line of Coins on the field brought in an amazing \$2,148.48, for a grand total of \$7,110.48!

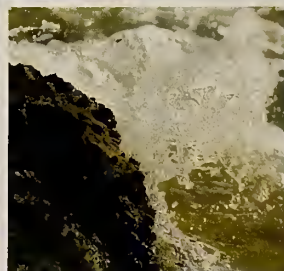

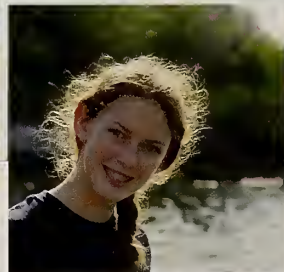

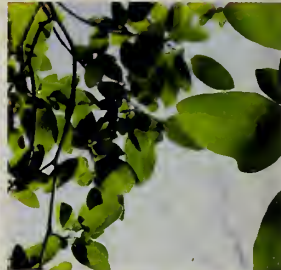

St. John Ambulance (Bermuda) will receive \$4,379.48 (which includes the coins from the Line of Coins), \$2,231 will be going to UNICEF, and \$500 to the child we sponsor through Children International.

Upper Primary and Secondary Students also brought in non-perishable food items that week for the St. John's Church Food Bank. As one of the RAG Week events, Secondary students had a Fashion Show and donated the clothes to Salvation Army.

# School Pride

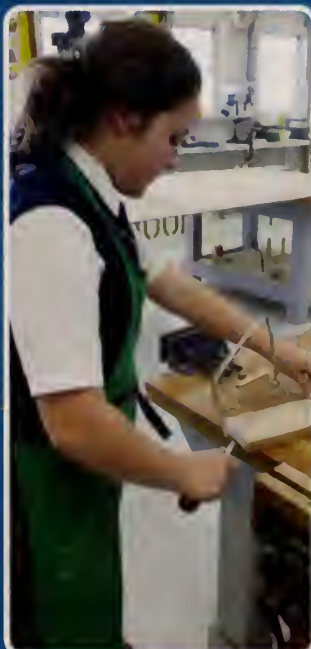

# A day in the life...

## A typical school day

# SPORTS

# DAY

Another fantastic Sports Day demonstrating the clear athletic ability of Saltus students and the sportsmanship evident throughout all years. Although Saltus, Darrell, and Butterfield all fought valiantly for the champion position it was **WATLINGTON** that came out on top.

## Badminton

Jonas Schroder, Liam Evans, Calum Maule, Ryan Spencer-Arscott, Fabio Pacheco, Mark Godfrey

Missing:

Christian Hillen, Courtland Boyle, Jaylen Matin

## Girls Varisty Basketball

Kennesha Nanette, Zureena Rubaine, Tolu Ogunyemi, Jade Belboda, Kathryn O'Connor, Damae Palanyandi, Zoe Simmons.

## Boys Softball

Jonas Schroder, Jonas Frumkin, Calum Maule, Liam Evans, Chris Rodrigues, Cameron Tully, Nicholas Araujo.

## Girls Softball

Kathryn O'Connor, Zoe Simmons, Lationia Gray, Zureena Rubaine, Kennesha Nanette, Telisa Samuels

# Farwell Malcolm ....

## *Tribute to Malcolm Durrant*

It is a privilege for me on this special occasion to pay tribute to Malcolm Durrant as he completes thirty five years of distinguished service to Saltus Grammar School.

First of all, let me say, how grateful I am to Malcolm for his counsel, understanding and patience over the past three years.

His sage advice has helped me through many potentially contentious situations as I became acclimatized to the inner workings of Saltus and life in Bermuda.

Malcolm is such a diplomat. It must have been exasperating for him when I showed absolutely no emotion when he described in detail each goal as his beloved Arsenal Gunners defeated Chelsea.

We soon found common ground, though, in our love of golf, boating and fishing adventures on Steven Master's "Lady Gambler".

Since first arriving at Saltus in 1977 as a history teacher, Malcolm has performed almost every key administrative role in the school. His 17 year tenure as Head of Senior Year, which became the Post-Graduate Year and ultimately, the Saltus Graduate Years Programme, gave Saltus additional academic credibility, particularly with top-tier universities and colleges in the UK and North America. Jon Beard estimated that through Malcolm's guidance, 600 Saltus graduates were admitted to post-secondary institutions around the world.

In a similar fashion, his responsible direction of the Scholastic Aptitude Test Centre at Saltus provided an SAT opportunity to over 1000 Bermudians.

In 1996, Malcolm was appointed to the all-important position of Director of Admissions. The wisdom of this appointment cannot be overstated. His calm and supportive manner with legions of new families was just the reassurance that nervous students needed in joining their first private school. He was responsible in making this first, all important impression of Saltus a welcoming one. As if this wasn't a large enough responsibility, he also provided transcripts for all leaving and graduating students, as well as for alumni.

For the past 13 years, he has served as Deputy Headmaster to three Headmasters, all with very different management styles and personalities. The one constant was Malcolm's unwavering loyalty and support.

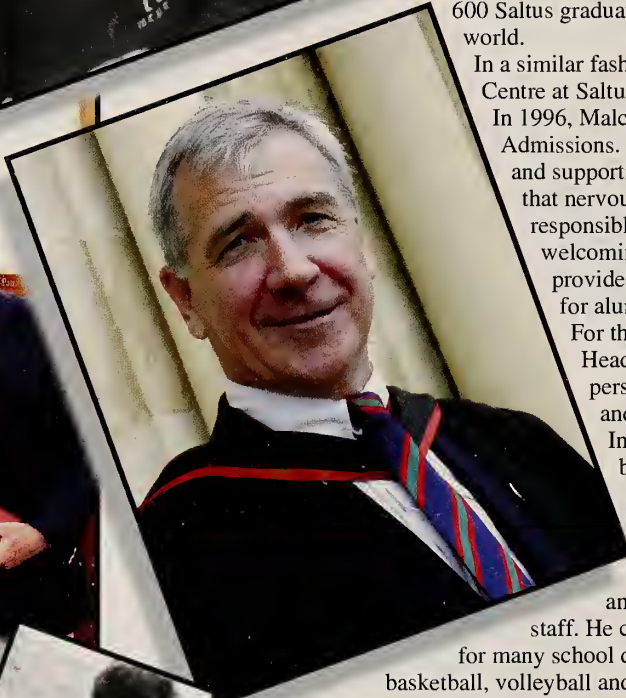

In this often "unsung hero" role, he played a pivotal role in Saltus becoming a co-educational school; building developments in both the Lower and Upper Primary Departments, the Goose Gosling Centre and the installation of a Foundation Year at Cavendish.

Wearing several hats is part and parcel of private school life and Malcolm was an exemplary role model for the faculty and staff. He coached the 1st Football and cricket teams; he was stage manager

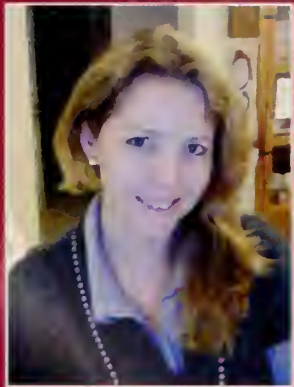

for many school drama productions; he represented the staff in football, cricket, basketball, volleyball and relays. He has been the chief track judge at almost every Sports Day since 1977.

All in all, an amazingly diverse three and a half decade career at Saltus. With the utmost of respect to Terri, Melissa and Matthew, Saltus has been Malcolm's life. The school is and will be forever grateful for his dedication and commitment.

Ted Staunton, Headmaster June, 2012.

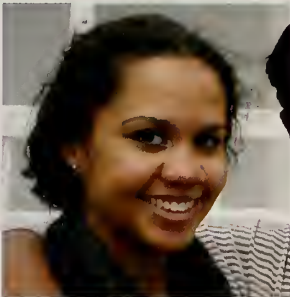

Fiona Murdoch

"We cannot live only for ourselves. A thousand fibers connect us with our fellow men; and among those fibers, as sympathetic threads, our actions run as causes, and they come back to us as effects." Herman Melville

Yearbook Staff

Sarah Daniels  
Senior School Editor

Leandra Straquadanio

Kenedi Edwards  
Layout Assistant

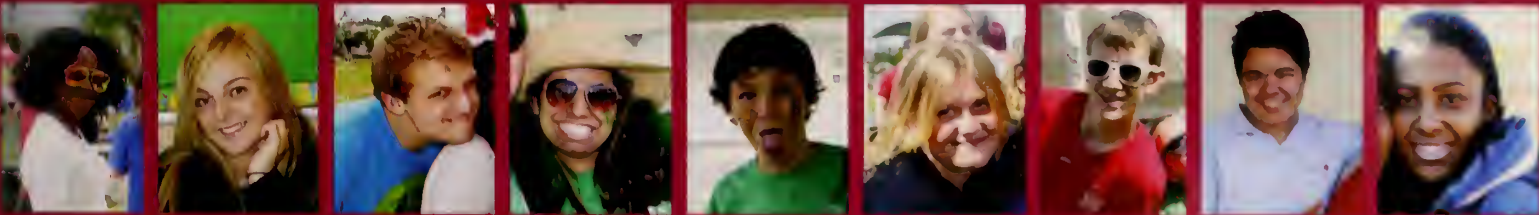

Daniel Pell  
Layout

As the Academic Year of 2012 comes to a close, it is time to remember who we are, not just as a school, but as a community. I was reminded recently by some of my staff members that this is not just an institution for learning, but a place to call home. They were proud to be a part of the Saltus Family. Looking through the pages of this book, we hope it reminds you of the wonderful experiences, accomplishments, and most importantly, members of the Saltus Family who shared their time with you.

My personal thanks as always to Peter LaPade and Cynthia Barnes, for all their hardwork and support. In particular, I wish to thank Sarah Daniels for her tireless effort to organize, build, and launch all the Senior Yearbook Staff, with her only payment being as many hot velvet cupcakes she could consume!

We hope you enjoy this chronicle of this year's events, and hope it brings you fond memories of your time at Saltus. Although you will soon all leave, you will always be a part of the Saltus Family.

MANY THANKS TO ALL THE SENIOR DEPARTMENT YEARBOOK STAFF THIS YEAR:  
LAYOUT: MILES CAVE, MARK GODFREY, MIARA WILKINSON, BRITTANY CHLEBEK, YANNA SMITH AND NICK BERGQUIST
